## ABOUT ACCURO

Accuro \ä·kûr'·rō\ Latin, verb

1. take care of others. 2. work hard; do great work.

At Accuro, we connect top talent and leadership from across North America with top-performing Fortune 500 and global corporations. As a leading provider of professional and technology staffing, executive search and contingent workforce solutions since 2003, it is our passion to dig deep into your business goals, and connect you with the best people to make those goals reality.

It's what we believe — and what we make happen for you. And it's what we abide by within our Raleigh-Durham headquarters and across the United States. The Accuro team works hard to live and work according to the values our name's origin holds. We carry these values and philosophies throughout all aspects of our work with you, our customers, our business, and each other.

## **STRATEGIC STAFFING & TALENT ACQUISITION**

With the right people, anything is possible.

When it comes to finding top-performing professional and technology talent, we know no limits. Our award-winning talent acquisition team identifies senior-level professional and technology talent for long-term contract assignments, consulting and managed services solutions, and career opportunities with our clients.

Aligning businesses and individuals to ensure long-term fit and mutual success is what we do. Since 2003, we've delighted clients with a 98.4% retention rate, maximizing their investment in talent.

You tell us what you need; we'll partner with you to find the best match for now and in the future.

### **CONTINGENT WORKFORCE SOLUTIONS**

Accuro has become a trusted partner in contingent workforce solutions from payroll management, including employer-of-record services and independent contractor management, to customized workforce solutions for enterprise-level clients across the nation. We do what we do best so your leaders can focus on what they do best.

## EXECUTIVE SEARCH SOLUTIONS

Our Specialty: Delivering Top Leadership to Drive Business Performance.

At Accuro, we work differently to build creative, collaborative partnerships. Our Executive Search experts work closely with CEOs and leadership teams to engage emerging leaders and C-suite executives who are passionate and highly skilled at building value.

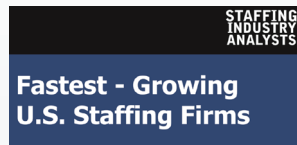

Our five-step executive search process enables us to identify and deliver proven leaders who will drive your business forward. Because for us, finding the best long-term solution and getting it right on the first try is where we excel. It's what's led to a 98.4% retention rate since our start in 2003. And it's why we regularly hear, "Wow, this is a very different experience from working with other recruiters."

## AWARD-WINNING PERFORMANCE

Great Companies Start with Great People.

Our standards are high: We partner with the best. We employ the best. And we have helped thousands of the best and brightest advance their careers.

## WHY CHOOSE ACCURO?

The organizations that choose Accuro care about their people's progress. They care about creating a forward-thinking culture. And they care about partnering with a company focused on building strong relationships, aligning with their goals and values, ensuring operational excellence, and consistently staying on the leading edge of the industry.

When you choose to work with Accuro, you're saying yes to a partnership focused on fueling your business growth. Since 2003, we've solved the frustrations of corporations facing stunted growth, high turnover, and an aging workforce, among other challenges, by bringing exceptional and enduring value to all stakeholders in retained and executive search engagements.
